In every community, eating brings people together in celebration.
We are particularly good at this in India and Bangladesh.

Whether it's the sharing of naan bread, reaching over for the sides or the "want to try some of mine?" that does it — it's generally considered a great reason to get together.

Our Christmas feast menus allow groups of 6 or more to celebrate together. With freshly prepared dishes, along with vegetarian, vegan and traditional English options available to pre-order, once you've booked and paid a deposit, you can relax and get your Christmas party outfit on and join us.

We'll make sure your table is festive, with table decorations, crackers and Santa hats (great for the photos!) and our separate fully stocked bar, ample free parking, ease of accessibility and sparkling-clean facilities mean we're the perfect location for everyone to enjoy themselves.

And please do consider joining us for our now legendary New Year's Eve party too - An all-inclusive night of great food, drink, entertainment including a great countdown into 2020!

We hope to be hosting your celebrations this year.

Rajeev, Chef Abul & the whole team at Spice Fusion.
